## **Valley Baptist Church Camp Cell Phone Policy**

In order to make our camp experiences a place where youth can get away from the busyness of everyday life and actually hear from God, cell phones are not allowed at Camp.

Many students have a difficult time with this rule so we are asking for your help. In order for your student to attend camp with us they must sign this form stating that if they bring a cell phone or other electronic device, they will give it to one of the leaders upon arrival at camp. Students will get them back at the end of camp.

The camp or the church leaders are not responsible for any losses or damages to the phones or electronic devices.

If you have any questions about this rule, or if you need to get into contact with your student, please contact Sarah Connell (928-503-4527) or Pastor Phillip (707-696-2956)
